Company Eligibility:

Eligibility requirements for each participating company are based on their relationship with FCA US LLC. FCA US LLC defines its Affiliate Rewards eligible companies as Fleet companies, Supplier or Member companies. Definitions of each group are defined below:

Fleet Companies: select FCA US LLC Fleet Account companies as defined by FCA US LLC. Eligible companies are required to have an active Fleet Account Number (FAN) in order to participate.

Supplier Companies: all FCA US LLC Production, Non-Production, and Minority Supplier Company employees and retirees. The program recognizes the important strategic business relationship between FCA US LLC and its suppliers.

Subsidiary companies are eligible with proper documentation stating the relationship of the companies. Parent companies are not eligible to participate solely based on a subsidiary company’s eligibility. They must have their own active company code.

Member Companies: companies, associations, and organizations which have a special business relationship with FCA US LLC or its affiliates as defined by FCA US LLC. Members of these companies are eligible to participate.

Customer Eligibility:

Fleet Companies: employees, retirees, spouses, surviving spouse

Supplier Companies: employees, retirees, spouses, surviving spouse

Member Companies: employees, retirees, spouses, surviving spouse. Members of eligible organizations are eligible to participate in this program once they have established membership in the organization for a minimum of 30 days.

Supplemental workers, Service Agreement Workers, Independent Contractors and inactive on-roll employees are not eligible to participate in this Program under Fleet, Supplier or Member programs. Branch and independent agents of eligible companies do not qualify.

Eligible employees or individuals who do not comply with the Rules and Provisions may be suspended from the Program.

Program Elements:

1. Companies determined as eligible by FCA US LLC will be required to enroll into the Affiliate Rewards program. A representative of the company (usually an employee within the HR department of the eligible company) will serve as the Program Administrator.
2. Upon enrollment into the program, FCA US LLC will provide each eligible company, association or organization with a unique six (6) digit ‘company code’ number. Each eligible entity will communicate their unique ‘company code’ to their eligible employees, retirees or members.

3. An eligible customer interested in participating in the Affiliate Rewards Program will access the website www.fcausaaffiliates.com or by calling Affiliate Rewards Program Headquarters at (888)444-4321. The participant will be required to enter their unique company code and complete an electronic form to generate a control number.
4. The control number generated will be a unique 12-digit alphanumeric number which should be printed and brought to the dealership at the time of purchase. All control numbers MUST be generated in the name of the eligible employee or retiree regardless if the vehicle is purchased by the spouse or surviving spouse partner.
5. The intended buyer (employee, retiree, member, spouse or surviving spouse) must provide the eligible employee's unique 'control number' and proof of eligibility documentation to any participating Chrysler, Jeep, Dodge, Ram dealership or FIAT Studio for audit verification purposes. Copies of this documentation must be kept in the deal jacket.

Appropriate documentation includes:

Employee	Current pay stub (within 30 days)
Retiree	Pension paystub
Spouse	Marriage license or similar documentation showing relationship to eligible employee
Surviving Spouse	Appropriate documentation showing relationship to deceased eligible employee
Member	Membership card or other documentation showing current membership with the organization. Students and alumni of schools listed as an affiliate are <u>not</u> eligible to participate in this program.

6. Program 'control numbers' in the form of pre-printed Affiliate Rewards coupons may also be obtained through FCA US LLC sponsored or supported marketing events.
7. A completed Pricing and Acknowledgement Form must also be completed and signed by the customer and retained by the selling dealer for each sales transaction. The form is located within this document at the end of the rules page.

Preferred Price:

A participating dealer submitting a claim under this program must sell or lease the vehicle at the Preferred Price (a maximum of 1% below factory invoice plus a \$75 administration fee).

The dealer must show the participant a copy of the Factory Invoice.

Dealer installed options are negotiable between the participant and the dealer, and must be itemized and individually priced on a fully executed Bill of Sale and on the Pricing and Acknowledgement Form signed by the dealer and the purchaser/lessee. A net Bill of Sale without detail is not acceptable.

The dealer price to purchaser/lessee is calculated by adding dealer-installed options and/or Over Allowance on Trade amounts to the Preferred Price. The participant may not be charged for any preparation fees, delivery and handling charges, service or overhead fees, or any other such delivery fees under this program. Documentation fees are allowable under the respective

Affiliate Rewards
Official Program Rules

governing State in which the vehicle is titled. Documentation fees may not exceed those normally charged on any other sales transaction.

Administration Fee:

Each participant must pay a \$75 program administration fee to help offset the cost necessary to support this program.

Dealer Reimbursement:

Payments under FCA US LLC Affiliate Rewards will be made as part of the weekly DealerCONNECT incentive claim processing system. Incentive payments will be processed and made to dealers by EFT (Electronic Funds Transfer) or as a debit or credit against their monthly parts account. The \$75 administration fee paid to the selling dealer by the participating customer will be deducted from the 2% payment made to the selling dealer by FCA US LLC. Participating dealers retain 1% of the 2% payment paid to dealers by FCA US LLC for all eligible 'Preferred Price' vehicle sales.
